

WATERBALL

What is it?

Water ball is a game played in a swimming pool by two teams with 10 players. It gives you a lot of satisfaction and occasions to make new friends.

Rules

Rules are similar to handball. There are two goals and players can use only hands and heads to throw or pass the ball. The winner of the game is the team that first gains 15 goals.

Cirfrisclle

Erasmus+

Place: flat surface, playground, field, gym/hall...

People: In one team might be 6-10 players.
